

## Powerful Bare Machine Recovery for TSM Users

**Fast, automated**  
disaster recovery &  
data protection

# TBMR

## BMR for TSM

**TBMR** disaster recovery software provides **fast** and **automated** recovery direct from Tivoli Storage Manager (TSM®). TBMR allows users to recover their operating system **directly** from a TSM backup to similar or **dissimilar hardware**

Fully integrated with TSM

Rebuild a server OS in under ten minutes

Uses the TSM backups for Disaster Recovery

Multiple servers can be recovered simultaneously

**TBMR** is the ONLY software that can recover direct from the TSM server without doing a separate backup

TBMR is resold globally by IBM as the Bare Machine Recovery solution for TSM users

**Reliable, rapid results for Disaster Recovery, Data Backup and Server Migration with TBMR - BMR for TSM**

TBMR supports Windows, Linux, Solaris and HP-UX operating systems
